about the Profile:

The Profile is published every two months. Club members are encouraged to submit BMW and/or club related articles and photos for publication. General articles should typically be under 350 words but longer features are welcome space permitting. All photos must be submitted as individual jpeg or tiff files at their highest available resolution. Submission deadlines are always the first Friday of the month prior to the newsletter issue (i.e. deadline is in May for the June/July issue). Send all submissions or questions to the copy collection editor. For information on advertising in *the Profile*, contact the newsletter advertising manager.

Pit in! Time for a Driver Change

by: Bruce Smith, WMC President

Well here it is, my final president's address column. I have to tell you all that I started writing this address about a dozen times in my head. I thought about it at the strangest times; while driving to work, while on conference calls, and while raking the leaves in the yard. I knew the submissions deadline was coming and Martin would be looking for something for the newsletter. I needed something...

I was struggling with what to write. As I exit the office, I wanted to leave you all some pearl of wisdom I acquired over the last two years. Then it came to me.

I was sitting in the timing and scoring tower at the Daytona Speedway. I was there for a BMW CCA Club Race and was watching some very nice cars tour the high-banks of the speedway. I had the whole building to myself, and I was reflecting on all of the places, events and club people I have experienced over the last two years.

It was as if someone had just flipped a switch.... I knew instantly what I wanted my last address to be about. What I really want to say is, "Thank you".

Yes, "thank you". It has been an honor to serve as president for our chapter. We have a lot of energetic and enthusiastic members who love cars and driving.

I have learned a lot from the chapter folks I have met. I'm proud to have had several opportunities to represent the White Mountain Chapter at national events. For a small chapter we carry a very large and positive reputation across the whole BMW CCA organization.

I wish I could take the credit but have to be honest, it's the club members who do all the "heavy lifting". So if you will indulge me this one last time, I would like to say thank you to some of the many folks that work very hard to make our chapter so successful.

The current board, Dick Cadieux, Al Legerlotz and Mike Dion were extremely generous with their time and counsel. They kept me centered and focused on the important issues.

Laura Fallis, our membership chair, did a great job of communicating with new chapter members, and constantly looking for ways to grow our membership numbers. Cassandra Vorisek-Creto and the Social Events committee have put on several fantastic events us over the last two years. They have made many improvements to the holiday party, and came up with the very successful Hot Laps day in July. There are many people and lots of hours that go into making these events successful.

photo: Paul Michali

Gordon Geick headed up our Driving Events committee over the last two years. Gordon was responsible for instructor development, recruiting instructors and students for driving events. This takes many telephone calls and countless emails to pull off. Gordon performed very well in a very demanding role. I would also like to thank Alvin Legerlotz, Tania Brice Coffin, and David Thibodeau for all of their hours doing registration for our events.

Ed Valpey has been our Chief Instructor since BMW started making cars. Ed has had a tremendous impact on our driving programs from Tire Rack Street Survival to the Climb to the Clouds at Mount Washington. Ed is always looking for ways to improve our programs and our driving, (especially mine). We are lucky to have Ed as a part of our chapter.

Dana Sion took up the chapter's new Marketing Director's position just over a year ago and has done a tremendous job reviving our advertisers in the *Profile*. Dana continues to spread the word about our chapter, and this will lead to more sponsors for not only the newsletter, but for the many social and driving events throughout the year as well.

Martin Callahan has put the *Profile* newsletter back on the map. The newsletter gets better with every issue. I know Martin puts in many hours to perfect each addition. Martin routinely has to remind me and others to get our materials to him on time. He does a great job of herding the cats, and pulling it all together while making it look professionally done.

Paul Michali, our webmaster, puts countless hours into our website to make it one of the best chapter websites in the club. Paul has developed the site to include voting pages, email blasts, photo galleries, and event calendars. Paul went so far as to develop self-service calendar events that was so easy to do even most of the board members could update them.

Mario Langsten (VSR), Mike Cooney (Concord Motorsport), Deb and Danny Maynard (3D Autoworks) have been long-time supporters of our chapter. Not only do they support us by sponsorship but they actively participate in our events. Please keep them in mind when you need service for your chariots.

Thank you to all of our instructors and volunteers that give up, and give back, their time to make us all better and safer drivers. Thank you to Bette French and the folks at NHMS for all that they do for our driving events.

I know I will think of a half of dozen or more deserving names as soon as I submit this column to the newsletter. To those folks, you certainly have my sincere thanks as well. I will endeavor to pass them on to you personally the next time we meet.

So the time has come; I have unbuckled the straps, and removed the helmet. It is time for a driver change. Someone else will slip in behind the wheel to drive the chapter further up the road. I know he or she will lead a great bunch of people who love cars, driving, and being with each other. It really doesn't get better than that.

Thank you to all of the White Mountain Chapter members for sharing your passion about your cars. Once again, it has been an honor to serve. Safe travels.

mit freundlichen Grüßen,

Bruce

Chapter Elections 2008

Poles are Open - Vote Now Online!

The national elections may be behind us, but the Chapter elections are going on now! Elected board members play a vital role in directing the chapter's activities and direction. Each year a board of directors (President, VP, Secretary, and Treasurer) is elected. Other positions are appointed by the board based on committee recommendations.

Following are the candidacy statements for those running in this year's election. Vote now through November 30th, online at the chapter website, or in person on December 3rd at the next membership meeting.

President - Alan Legerlotz

I originally joined the BMW CCA in 1989 when I bought my first Bimmer, a 1989 325i. I took a couple of years off from late '92 to early '95 when I was foolish enough to trade the 325i for Chevy S-10 Blazer. In September 1995 I attended my first CCA driving school in the 1990 735i automatic I had purchased a few months before. At that driving school, and the many I've attended since then, I saw the amount of dedication and effort it takes to run these events, the

chapters, and ultimately the club itself. I have been a volunteer with the club, to some degree or another, since 1997, being involved with the Driving Events Committee as Tech Inspector, as Advanced Skills instructor, as an on track instructor, as track liaison, and finally as Driving Events Committee chairman.

As chapter President I would like to take my time as Secretary and my experience with the club to the next level and move ahead with the direction set forth by Bruce, Dick, Mike, Dana, Laura, Gordon, and Cassandra.

Vice-President - David Harrison

I am honored to be nominated for Vice President of the White Mountain chapter. I'm looking forward to the challenge of serving the chapter at a higher level.

A true love of the BMW brand started with a ride in a friend's restored 2002. The car stood out as something special. The first BMW with my name on the title was a 1980 320i I bought in 1991. As a 20 year Air Force mechanic I appreciated all the engineering and style

incorporated into the vehicles. Maintenance and restoration became as much a pastime as actually driving of the car. It wasn't long until a 325ix made for his and hers BMWs in the driveway. This is a tradition that has been continued ever since.

As VP, I believe I can bring experience and observations from other chapters. I have previously been involved with the Rocky Mountain chapter and the Plains States (NE). While no chapter is ever better than another, there are lessons to be learned from different organizations.

You may have noticed more than a few articles in the chapter newsletter that I have penned. My wife Rachelle acts as my proof reader and is involved in numerous club functions. BMW excitement is a family affair. Even our two dogs have enjoyed the annual road rally. I attend and help coordinate many club events. My favorite is the Susan G Komen drive to benefit cancer research. It is always a red day on my calendar. As a true BMW enthusiast I believe the post of VP will allow me to enhance the overall health and reputation of the chapter while doing something I love. Thank you for your consideration.

Secretary - Pete "PJ" McDonough

Greetings to the membership of the White Mountain Chapter of the BMW CCA. My name is Pete (PJ) McDonough and I'm running for the position of Secretary. I've been driving and enjoying BMWs now for almost a decade and have taken my enthusiasm for the brand to a new level this year - all thanks to our chapter! Participating in the ADSS and Susan G Komen Ultimate Drive, I've developed a better appreciation for our cars as well as the value of the club for making these experiences possible. I've always wanted to take a more active role in the club but have had too many things competing for my time. Now that my time has freed a little bit and the club had an 11th hour need for a candidate, I couldn't resist! In addition to my enthusiasm for the brand, I think my professional experience as a project and program manager within the telecom industry will serve me well in the role of secretary. I appreciate your consideration and look forward to meeting more of the membership in 2009!

Call for Volunteers! The WMC Needs You!

by: Alan Legerlotz, secretary

With the new year comes a new need for volunteers. Whether your passion is Driving Events, Social Events, or just keeping the chapter running smoothly, there is a need for your effort and enthusiasm. Jobs range from running committees for the year to stuffing envelopes or helping out at a single event. Please contact any Board member for more information on how you can become more a part of your White Mountain Chapter.

New e.Profile Service Available Sign Up Online

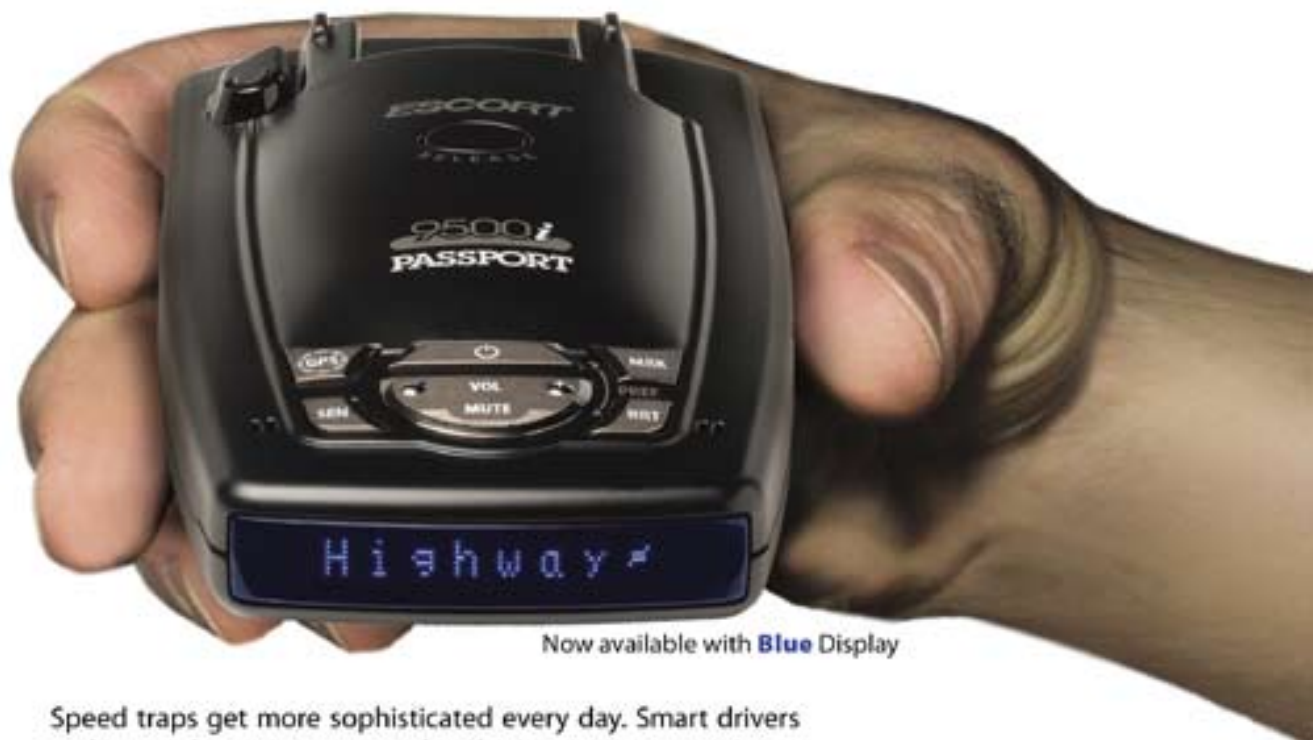

by: Paul Michali, WMC webmaster

Chapter members receiving the *Profile* by postal mail can sign up for an "e.subscription". Instead of getting a printed copy of the *Profile*, members who opt in to this new service will receive e.mail notification allowing exclusive online access to the current newsletter issue. Archive back issues will be available online to anyone, whether they're signed up for this service or not.

Primary (non-associate) chapter members can sign up for this service at: www.whitemtn-bmwclub.org/electronic_profile.html. Club membership number is required. After sign up, you'll be notified that you'll no longer be receiving print copies of the *Profile* newsletter in the mail, but you can unsubscribe from this service at any time and future newsletters will once again be mailed to you. Once you're signed up, changing your e.mail address is as simple as signing up again with your new address, so no matter where your life may take you around the globe, you'll never have to miss an issue of the *Profile*.

In Search of Lobstahs and Lighthouses Recapping the Seacoast Rally

text by: Tom Blinn

photos by: Paul Michali

As planned, the 2008 edition of the WMC's Back Roads Rally was delivered on Saturday, October 18th. Nine cars, mostly White Mountain Chapter members, participated in the 2008 Seacoast Rally which ran from Newburyport, MA to Cape Elizabeth, ME. Most of the attendees drove BMWs, including Pam Chamallas and her son in the family's beautiful white 1973 3.0CS coupe. The exception

Rallymeister Tom Blinn tallying up the final scores

one photo (a "lawn lighthouse") that happened to be the second thing on the route – so they ended up with 28 points, a nearly perfect score.

Clearly, I did not make the photos hard enough. There were a few along the way I thought would be really hard that most of the entrants found with no trouble. Everyone thought the photos came out really well; the photo printing shop did a good job at a competitive price. People seemed to like having a photo deck to work with, rather than large printed photo sheets as in last year's rally.

The photo puzzle was made extra challenging due to the fact that some of the local businesses along the way whose signs were in the photos had taken in their signs since it was the end of their season. But people were adaptable and most were able to figure things out, even when parts of some pictures were missing.

One team got confused about how to fill out the answer sheet, but ev-

A view en route: the picture postcard perfect Nubble Light on Cape Neddick

was Joe Hughes and his partner in their blue Toyota spider, in which they enjoyed the event with the top down.

This was not a rally race, TSD or typical fun rally, rather, like last year, it was a photo rally where the object was to drive the rally route and correctly order a collection of photographs of "views along the way" Everyone who started made it to the end, and everyone said they'd had a great time. People found the route easy to follow. We were lucky; no detours, no major construction, and the one spot that got blocked happened after we'd been through it.

Surprisingly none of the teams were in the more advantageous "touring" class which allows for more than two people in the vehicle which means more eyes for spotting the photo subjects.

Trophy plaques were awarded to the top three scoring teams. First place went to the novice team of Ted and Jen Roy from Gilford, NH, who claimed this was their first rally experience. They may well have been ringers, since they live next door to (and are in-laws of) past trophy winners Phil and Melanie Brown. The Roy's had a perfect score, all 30 photos in the right order.

Phil and Melanie missed one photo (because they listed one photo twice), and their score of 29 gave them second place. I'd almost suspect collusion, except Melanie is too competitive to give away first place, even if it would have been a tie.

Third place was earned by Paul Michali and Harry Hull, who missed only

Some of the "road weary" contestants at Cape Elizabeth

everyone else had no problem with it, so I think that the instructions are pretty clear. We might make it even clearer though if we use this format again in the future. And it is a good format. It's incredibly easy to do the scoring compared to the "riddle" based fun rally format we've used for some rallies in the past.

In keeping with the theme of the event, at the conclusion of the rally nearly everyone headed off to Two Lights Lobster Shack for dinner.

This year's rally was a great event. If you missed it, keep an eye on next year's calendar. If you might be interested in working on building future rallies, contact the Social Events Committee chair!

Friends, Food, Fun and Great Cars Too! Show & Shine 2008 at Bavarian Autosport

text by: Dana Sion

photos by: Bavarian Autosport (www.bavauto.com)

Did you see all the BMWs and MINIs that converged on a back road in Portsmouth, New Hampshire, on Sunday October 5th? Heck there was even an ice cream truck there giving out free Red Sox ice cream sports bars from FairPoint Communications and Hood Dairy! Numbers can be thrown out there however let's just say the average person would easily loose count of how many people and BMWs/MINIs were at Bavarian Autosport's annual Show & Shine extravaganza.

The show/party had something for everyone from great free prizes, many new how-to automotive clinics and of course cars. Cool cars. Lots of them, ranging from brand new to classics. Oh, did

I mention there was even an

ice cream truck with free offerings? That really hit the spot after the huge free BBQ, compliments of the great folks at Bav Auto, that included hot-dogs, burgers, chips, pickles, cookies, soft drinks and even free beer. There were even yummy donuts in the morning!

This year brought several changes to the ever popular and growing event that surprised some and thrilled others. This year there was no more people's choice award or registration for cars as it was decided for many

reasons to make the show about friends, fun and BMW/MINI this also included more free prizes than ever, a larger Susan G. Komen breast cancer charity raffle and many more how-to clinics.

Even BAS's famous answer man

Otto was there in person, sporting his signature lederhosen, he looked like he just dropped in from the Bavarian Alps.

For many this annual event is when folks meet each other who many have not had a chance to see each other all year from near and far, but for everyone it is nothing short of the ultimate car show for the ultimate driving machine.

For the White Mountain Chapter it is the best time of the year to meet current members and those looking to join the club. We thank Jay and the rest of the team at Bavarian Autosport for welcoming us each year to set up our chapter

marketing display to spread the word about the BMW Car Club of America and what the BMW CCA does on a local and national level. The response

has been wonderful at this great event every year and we look forward to seeing you all at the Bavarian Autosport Show & Shine in 2009!

Winter Reunion 2009 R.S.V.P. Online Now!

by: Cassandra Vorisek-Creto, SEC Chair

Join us for another great evening of fun and charity. On Saturday, January 24th, starting at 6pm, join other club members for the annual Winter Reunion (f.k.a. The Chapter Holiday Party) at The Highlander Inn in Manchester.

The entertainment this year will be a great performance from Manchuka – a contemporary 10-piece jazz band. The evening will begin with light music and a tasty buffet dinner. Throughout the evening, a silent auction will be held to raise money for the club and the New Hampshire chapter of Make-a-Wish Foundation. And as has become tradition, there will also be a photo contest - details can be found at the chapter website.

Come spend a lively evening with club friends old and new, enjoying some of the best live music in the area and take home some great memories. This gala event is sure to please. The cost: \$40 per person. The Benefit: Priceless.

Special thanks to 3-D Autoworks (a “5-Series” sponsor) and Liberty Mutual (a “3-Series” sponsor) whose generosity will help make this a night to remember.

For details, visit the club’s website. Register online now!

Rotating Photos on BMW CCA Website Submit Your Own Images!

by: Frank Patek, Executive Director, BMW CCA

You may have noticed we have added a rotating pictures section to the BMW CCA website (www.bmwcca.org). The purpose of this section is to depict in photos what BMW CCA is and does. In order to keep it fresh we would like to have many more photos of our members enjoying Club activities and enjoying their BMWs.

If you have photos that fit the bill we invite you to send them to the following FTP site. All displayed photos are 680px × 360px. If selected and not cropped to this size they will be, if smaller, they will be enlarged.

FTP info:

Host: mwmills.us User Id: photos@mwmills.us Password: bmwccaorg

If you upload photos and they are not immediately displayed please be patient. We are hoping for a great response and a great deal of images. Thanks for your participation!

about classifieds:

Chapter members can submit (non-commercial) ads at no cost, which will run for three months on the website. Ads listed on the website at the time of publication are published in the *Profile*, space permitting. (Submit photos for inclusion with printed classifieds to the *Profile*'s copy editor.) Ad requests submitted online are subject to approval by the WMC. The submitter, not the WMC, is responsible for the accuracy of ad content. The WMC cannot guarantee, in any manner whatsoever, items listed in the classifieds. To see the most current selection of classified ads, check out the chapter website.
