newsletter of the
white mountain chapter BMW CCA

june & july 2010

Did you know?

The BMW Car Club of America has a membership of over 70,000 enthusiasts, and of all members...

- 68% are between the ages 30 and 49
- 58% have annual incomes over \$75,000
- 82% are college graduates
- 37% have postgraduate degrees
- 89% own their own homes and 23% of those own a second home
- 30% have two or more BMWs
- 64% trust BMW Centers and other Independent BMW Service Centers for scheduled and unscheduled maintenance
- 25% have spent over \$1000 on aftermarket purchases in the past year
- 50% purchase performance upgrades
- 75% purchase detailing items
- 48% purchase maintenance & repair tools

source: BMW CCA National Office

Is your business looking for a direct audience to boost its sales?

If so, don't dump thousands of dollars and waste your time with companies that don't know your target. Look to the White Mountain Chapter and the Profile newsletter!

The Profile offers...

...one-on-one communication with a dedicated staff member to address all your concerns.

...ad design services. by the Profile's publisher, mjc.design.works,LLC. For nominal rates, existing ads can be reworked or new ads created. No need to waste time trying to find someone to design a professional ad for you.

...endless options for custom inserts, coupons etc. We work with you!

In addition to the printed Profile...

...an online edition of the newsletter is available from the chapter website. At time of publication, all advertisers receive a link to the latest edition.

...advertisers get their corporate logos and company profile posted on the chapter's advertisers page.

...the chapter's website is linked to by countless other interest related websites.

The Profile has many advertising options available!

You won't be harnessed into a long contract; purchase an ad for any number of issues. A business card sized ad in black & white is only \$180, and a quarter page ad, only \$360. And that's for a full year (6 issues)! Many other options are available.

Drive new life into your company's ad campaign!

Contact the White Mountain Chapter today!

about the Profile:

The Profile is published every two months. Club members are encouraged to submit BMW and/or club related articles and photos for publication. General articles should typically be under 350 words but longer features are welcome space permitting. All photos must be submitted as individual jpeg or tiff files at their highest available resolution. Submission deadlines are always the first Friday of the month prior to the newsletter issue (i.e. deadline is in May for the June/July issue). Send all submissions or questions to the copy collection editor. For information on advertising in *the Profile*, contact the newsletter advertising manager.

Pilgrimage of a DIY'er A day at Bentley Publishers

by: David Harrison, WMC Vice-President

David Harrison -
WMC Vice-President for 2010

On May Day, Robert Bentley opened his business on Massachusetts Ave in Cambridge for a presentation regarding the servicing of BMWs. Being an obsessive and compulsive BMW owner and wrench turner, I could not resist the open invitation. Sixteen other attendees showed up on the bright and beautiful morning. Most were from Mass. I was the lone NH resident and there was one person who drove up from Connecticut. The variety of BMWs in the parking lot formed a mini car show.

I've been a long time fan of the Bentley manuals and books and only recently realized the company

Old discussions debating the omission of the dipstick and new discussions such as the improved brake wear sensor were covered. Too many topics were reviewed to mention here. It is safe to say everyone learned something and took away a better understanding of where BMW is going with their new designs and maintenance.

Check out the Bentley Publishers website (bentleypublishers.com) or stop in if you are in the area (1734 Mass. Ave., in Cambridge). The friendly staff is always willing to talk to a fellow automotive enthusiast (617-547-4170).

Now if they will just write a manual for my X3 I'll be visiting them again.

Greetings,

David

is located here in New England. Their service manuals are the best you can get and should be part of any car enthusiast's technical library. Browsing though the walk-in store I realized how many of their books I already have in my house. Of course there were others I "needed". The newest service manual is the 5 Series (E60, E61) 2004-2010 and it is hardbound to make it more user friendly. While it is currently at the printers, advance orders are being taken.

After a short welcome session with coffee and bagels, Mr. Bentley introduced us to his staff who graciously showed up on their off Saturday. The tech session was held in the garage where the meticulous disassembly of the vehicles occurs during the research phase of developing a manual. A 545i was still in place for demonstration purposes. The presentation itself was highly informative and very interactive.

Do it yourself and save big!

In our free, tech newsletter *Fast Times*, we show you – step by step – how to repair and maintain your BMW or MINI. You can save hundreds, if not thousands of dollars on labor charges and parts. Browse all issues since 2003 at www.BavAuto.com/newsletter.

Chapter Membership

What goes down sometimes does go back up!

by: Michael Morin, Membership Chair

After the rise and fall of flood waters and the fall and the rise of the temperatures, we should be used to spring weather in New England. Of course, as membership chair I should be used to the seasonal changes in membership numbers. I think to some degree people have learned that giving Chapter Memberships as holiday gifts is a really good idea. We seem to have a bump in membership in the late winter/early spring months. These new members are now eligible for new car discounts on some of their favorite BMW models. They are also eligible for other discounts from BMW of Stratham, Liberty Mutual, Anheuser Busch Theme Parks, Brooks Brothers and Avis.

If you are interested in meeting me, other Chapter officers or staff in your neck of the woods check out our Chapter facebook pages to find out where we will be next. I intend to post my upcoming location in the next few months such as Lakehouse in Meredith, Foster's Boiler Room in Plymouth or Parker's Maple Barn in Mason. We understand that you can't always drive to Chapter meetings if you live in the farther ends of the state. Of course, our organization does not work without our members. **You really do belong here.**

If you are looking for other ways to connect, please check out the website for our Twitter and RSS feed updates.

Dodging roadkill,

Michael

Member Spotlight

This Edition: Laura Fallis

by: Michael Morin, Membership Chair

In this issue I am spotlighting the Chapter's former membership chair and current driving events sponsor go-to person, Laura Fallis. Perhaps because of some "mayhem and foolishness" she bought her first BMW which led her to hearing about the BMW Car Club. Her favorite Bimmer model is, of course, the M3. When she's not instructing better drivers, you can find her at Kensington Autoworks.

She is also a United States Army National Guard mother, so tell her thank you!

Want to put a fellow member in the spotlight?

SEC Summer of '10 Calendar and Upcoming Events

by: Cassandra Vorisek-Creto, SEC chair

Go-Karting 2010

Registration for this fun bi-annual event will open soon. Make sure you are on the club's email list to receive advanced notice of this fun and limited space event!

What is Go-Karting 2010? Pure fun. Experience it for yourself on July 31st and join fellow club members for a morning of action racing with *not-your-average* go-karts. Adult karts can reach speeds of 60 mph! Certainly not your amusement park

photo: Hot Laps

Serious karts for serious fun

kind of karts. Kids karts are limited to 35 mph, so no worries for anyone bringing a child (ages 7 and up).

Whether you're an experienced racer, or a beginner, "rookie" driver, you'll have the time of your life at Hot Laps Karting Center. Young or

old, ages 7 to 70, we're providing the best, hands-on, motorsports entertainment experience in the state. All you have to do is show up and drive. Hot Laps has everything else you need at a championship kart racing track and has been the grassroots development track for several successful NASCAR and SCCA racers in the Northeast.

When you're behind the wheel of a Hot Laps precision built, European racing kart, you'll experience the same exciting thrill of motorsports competition as NASCAR and Formula1 drivers in our 390cc karts that can reach speeds up to 60mph. But don't worry about Junior, a "toned down" youth racer version is also ready for action.

photo: Ed Valpey

Cost for this event is \$75 per adult (16 years and older with a valid driver's license) and \$35 per child (ages 7 to 15). Just want to watch and enjoy the post-event picnic, the charge is \$10 per person. (Adult and Child costs include picnic luncheon and light breakfast.) Keep posted for registration details!

Winter Reunion 2011

Save the date, and mark your calendars. January 22, 2011 will be the Sparty of the decade! Join us for an evening of good food, light entertainment (yes, we have changed the entertainment and it is sure to please!) and great silent auction items and friends.

photo: Paul Michail

The location will be The Common Man Restaurant in Concord. Free valet parking, our own entrance and cash-bar are all part of the evening. Entertainment will be a great jazz duo who will provide live music while we eat and chat with one another. Great auction items will be available and excellent food.

Anyone interested in donating an item or two for the auction? We accept gift certificates and merchandise (new and unopened). What better way to get some freemarketing for your company. Contact SEC chair for details.

Stay tuned to the chapter website and *the Profile* for upcoming details about this landmark annual event. Registration will open in early November.

Take Me Out to the Ball Game New Hampshire Fisher Cats and the WMC

by: Rachelle Harrison, SEC Member

Baseball, hotdogs, apple pie, and BMW? You bet! Sunday, June 20 at 1:35 PM the White Mountain Chapter will be in attendance at the Father's Day game in Manchester. The chapter will have a 25 seat section on the lower level just right of home plate at the beautiful Merchants Auto Stadium. We will be in the stands to enjoy the company of fellow BMW fans and cheer the home team as they take on the Erie, PA Sea Wolves.

Tickets are \$12 a seat with a \$1 handling fee and can be purchased easily through PayPal. Concessions are available from a host of vendors in the ballpark. Children can also enjoy Play Land where they can slide, bounce

house, or otherwise play for \$5. Parking at private lots is \$10 for parking next to the stadium or cheaper if you wish to walk a few blocks or use the parking garage by the Verizon Wireless Arena.

Join old friends or make new ones at this new social event. Register online through June 10th. If you have any questions you may contact Rachelle Harrison (603) 216-2829 or

r.harrison@whitemtn-bmwclub.org

More information about the New Hampshire Fisher Cats can be found at their website: nhfishercats.com.

e.Profile Service Available Sign Up Online

by: Paul Michali, WMC webmaster

Chapter members receiving *the Profile* by postal mail can sign up for an "e.subscription". Instead of getting a printed copy of *the Profile*, members who opt in to this new service will receive e.mail notification allowing access to the newsletter before it's even printed! Archive back issues will continue to be available online to anyone, whether they're signed up for this service or not.

Primary (non-associate) chapter members can sign up for this service at: www.whitemtn-bmwclub.org/electronic_profile.html. Club membership number is required. After sign up, you'll be notified that you'll no longer be receiving print copies of *the Profile* newsletter in the mail, but you can unsubscribe from this service at any time and future newsletters will once again be mailed to you. Once you're signed up, changing your e.mail address is as simple as signing up again with your new address, so no matter where your life may take you around the globe, you'll never have to miss an issue of *the Profile*.

News from National

submitted by: Frank Patek II, BMW CCA Executive Director

Oktoberfest 2010

Elkhart Lake and Road America

If you're serious about the BMW lifestyle and are in need of a little blue and white "immersion" therapy, then get ready to hit the road - Road America, that is! It's time for the BMW CCA's Oktoberfest. This year we're heading for Wisconsin, and Road America, the legendary race track in Elkhart Lake, Wisconsin.

Why Road America? Because our members are passionate about driving, we chose a location with great scenery,

winding roads, and a legendary track. August 23 through 27, BMW CCA members from all over the country will converge on tiny Elkhart Lake for O'Fest 2010.

Plan now to be a part of the fun, friendship, and passion that can only be found at the annual "ultimate" BMW owners' event - the BMW CCA O'Fest!

To learn more about this year's O'Fest, visit www.bmwccaofest.org.

Growing the BMW CCA

2010 Membership Drive

Last year CCA members participating in the annual membership drive brought over 900 new members into the Club. That's a great number, but it's not as good as in years past. To keep the Club growing and healthy, we are launching "Project New Member". Will you help us with it?

In the midst of a recovering economy, now is the best time to be a member of the BMW CCA. No one knows better than you how vital our discounts and technical help are to affordably keep your Bimmer on the road. Who has more fun doing it than we do?

Why not let a friend, or even a total stranger in on these benefits? Refer someone, and all year long, not only will you help the Club grow, but you can earn yourself BMW CCA Bucks for Club merchandise, memberships, and events. And you'll be eligible to win some great prizes. We all know the cars are what bring us together, but it's the people who keep us here year after year. Let's increase our ranks in 2010!

The membership drive for 2010 is officially running from February 18 through December 16. There are three membership drive categories: One for the Club's primary members in general, one for those members who work for a BMW dealer or independent BMW shop, and one for BMW CCA chapters.

The rules of the drive are detailed below. If you want to get credit for signing up a member, make sure the person adds your name and member ID to the application form, either paper or online.

BMW CCA 2010 Membership Drive Contest Rules

New Membership Definition: A new membership is defined as a membership for an individual who has not previously belonged to BMW CCA, or an individual who was previously a BMW CCA member but whose membership lapsed at least six months prior to the date of the new membership. A new membership with a corresponding associate membership counts as one new membership.

Eligibility: To be eligible, current BMW CCA members must be paid members in good standing through December 31, 2010—that is, they may not be members by virtue of being "comped" by the BMW CCA or a

BMW CCA chapter.

Categories: The program differentiates between BMW CCA members who work at BMW dealers or independent shops and those who don't because those who work at places where BMWs are sold, serviced, or repaired are assumed to have a much greater opportunity to meet BMW owners who may not already be members of the BMW CCA. While all BMW CCA members have equal opportunities to receive a reward for the new member, they will only be competing against other members in their own category for the grand prizes.

Category 1: Rewards for current BMW CCA members

For each new member that joins, referring members will receive \$5 in "BMW CCA Bucks" that can be used for the purchase of anything sold by BMW CCA or applied to CCA memberships. There is no limit to the amount of BMW CCA Bucks a member may receive based on new-member referrals. BMW CCA Bucks will expire one year from the date of issue and have no cash surrender value. Additionally, there will be grand prizes for the three BMW members who refer the most members. BMW CCA Bucks will be applied as a credit in the membership record of the awardee.

Category 2: Rewards for BMW dealer or independent BMW shop employees

For each new member that joins, referring members will receive \$5 in BMW CCA Bucks that can be used for the purchase of anything sold by BMW CCA. There is no limit to the amount of BMW CCA Bucks a member may receive based on new-member referrals. Additionally, there will be grand prizes for the three BMW members in this category who refer the most members. Memberships purchased by dealers for their customers are not eligible. This exclusion is in effect even if a current BMW CCA member is listed on the application as a referrer.

Category 3: Rewards for BMW CCA Chapters

Chapters are eligible for rewards based on an overall increase in their total membership and their renewal rate. Both are important for contin-

ued growth of the Club, since renewing members are more likely to stay in the Club for more years, while new members are needed to replace those members who don't renew. Only primary chapter memberships will count toward chapter goals. Secondary chapter affiliations will not accrue towards the goals.

The basis for chapter goals for new members will be the total number of primary members as of the official close in the National Office on February 18, 2010. The new membership goal for each chapter is 15%; that is, the chapter will have reached its goal if, by December 16, 2010, its total number of primary members is equal to 115% of the number of primary members assigned to the chapter as of February 18, 2010. The renewal goal for each chapter is 90%; that is, the Chapter will have reached its goal if, by December 17, 2010, at least 90% of its primary members as of February 18, 2010 have renewed their memberships.

Chapters that meet either their total membership goal or their renewal goal, but not both, will receive \$100 in BMW CCA Bucks or \$5 of BMW CCA Bucks per 100 members, whichever is greater. Chapters that meet both their total membership and renewal goals will receive \$150 in BMW CCA Bucks or \$15 of BMW CCA Bucks per 100 members, whichever is greater. Chapters that meet their renewal goal and meet or exceed 110% of their total membership goal will receive \$200 in BMW CCA Bucks or \$20 of BMW CCA Bucks per 100 members, whichever is greater, plus a 5% discount on driving-event insurance premiums for the year 2011. Chapters that meet their renewal goal and meet or exceed 120% of their total membership goal will receive \$300 in BMW CCA Bucks or \$30 of BMW CCA Bucks per 100 members, whichever is greater, plus a 10% discount on driving-event insurance premiums for the year 2011. The top ten chapters in percentage of new members and renewal rates will be officially recognized in Roundel Magazine.

New members can join by...

1. Calling 800-878-9292 to submit their application and credit-card information over the telephone. The referring member's name and BMW CCA member number must be provided at the time the call is made.

Annual BMW CCA Raffle Launched in April 2010 Looks like a Record Year

Our annual raffle opened on April 1st, and so far we are on pace to give away more cars than last year. The Grand Prize happens to be the MSRP value of a new M6; the First Prize is the value of a new M3! Even the Main Prizes are great: the value of a 335i!

Tickets can be purchased online for \$25 each. Members may purchase up to ten tickets; associate members are also eligible to purchase

Raffle winners will be announced during our Oktoberfest celebration in Wisconsin. Of course, the winners need not be present—but it certainly is fun when we have a raffle winner in the crowd! If you're at Oktoberfest this year, be sure to ask Mark Calabrese about the time he was absolutely certain he would win a new 5 Series—and actually won!

Remember, the deadline to purchase tickets is Monday, August 16, 2010 at 5:00 p.m. EDT.

2. Visiting the www.bmwcca.org website and submitting an application online. To receive credit, the referring member's name and BMW CCA member number must be entered in the appropriate space on the online application form.

3. Mailing a membership application to the National Office. In order to receive credit, the referring member's name and BMW CCA member number must be written on the application. Membership applications and BMW CCA brochures are available from the National Office by calling 864-250-0022 or sending an e-mail to stevens@bmwcca.org.

Deadline, Procedures, and Restrictions

In order to be counted, all new-member applications must be received by the National Office no later than December 16. If referred by a current club member, a new-member application must contain the name and BMW CCA member number of the referring member in order for the referring member to receive credit. Credit may not be applied retroactively. If a new member cancels their membership within three months after joining, the referring individual will lose credit for that membership. If a new member is referred by a current associate member, the associate member will receive the BMW CCA Bucks. BMW CCA Bucks will be awarded at the

end of the program only to those who are members in good standing at that time.

Grand Prize Drawings

1st Prize: One-day M School at the BMW Performance Center, plus two nights lodging for one. Minimum of 50 referrals to qualify.

2nd Prize: 2011 Oktoberfest registration. Minimum of 30 referrals to qualify.

3rd Prize: Valentine 1 radar detector. Minimum of 15 referrals to qualify.

BMW CCA members will be able to track their referrals by accessing their personal information through the BMW CCA website. BMW CCA Bucks awarded under this program will be mailed to members within 45 days of the end of the Membership Drive.

Questions about the 2010 BMW CCA Membership Drive may be directed to Frank Patek: frank_patek@bmwcca.org.

Tragedy of the Year The Lethality of Our Roadways

by: David Harrison

The statistics are in from the disaster of 2009. I still shutter thinking about the shocking numbers and accompanying images of blood and destruction. Some 45,000 dead, 300,000 injured or maimed, and tragically 6,000 to 8,000 of the fatalities were of the younger generation under the age of 25. Worst of all, it was all predicted ahead of time and still it happened just as forecast.

Terrorist enrage Americans when they attack and kill scores of us. Tornados stun everyone and question our faith when they crush a full church on Sunday morning. These events are *nothing* compared to the annual lethality of our roadways. Yet, this is where we died by the tens of thousands in 2009. Every year the carnage is real, it affects everyone, and accidents are reported by the news as casually as the local weather. Mark Twain once commented "Everyone talks about the weather, but no one does anything about it." Is society just as guilty about road safety? If it so, what can *you* do to stop the slaughter?

Although you most likely will never be directly involved in designing safer roads, engineering next generation cars, or championing better law enforcement, *you* can influence the *weakest link* in the deadly formula - the human factor. You have control over the behavior of at least one driver (the one reading this article). Yes, you can take responsibility for your own actions.

When behind the wheel, put down the phone, save the coffee for the office, and just plain pay attention to the road. Sounds simple, doesn't it? So what happens in the real world?

I surveyed cars driving past my business in Nashua last summer. One half of the drivers were not wearing seat belts and one out of ten was holding a cell phone. This is in line with other surveys in NH. Surveys also show 80% of drivers actually believe they are better than the average driver. Go figure out that one. Sounds like a lack of education and time for a reality check to me.

If you practice every rule of the road, I salute you and challenge you to go to the next level. Do you believe you remember and practice everything learned in driver's education class? Chances are you are probably relying on your long term memory from the last century. Check out the WM Chapter's schedule and attend an Advanced Driving Safety Skills school, or High Performance Driving school.

Go for extra credit and get a young driver you know with a new drivers

We died by the tens of thousands on our roadways in 2009. What can you do to help stop the slaughter? Put down the phone and attend a WMC Advanced Driving Safety School!

license to a Street Survival School. These classes provide instructors to reinforce good habits and point out the need for improvements that can be implemented daily in the real world.

Who knows, the deadly static you prevent in 2010 may be you or someone you truly care about.

Tire Rack Street Survival 2010 "Keeping Them Alive"

text by: Laura Fallis, DEC Member
photos by: Paul Michali

Our April 24th Street Survival program went with success thanks to the gracious support from the event's sponsors Ira BMW of Stratham, 3D Auto Works and Liberty Mutual. A round of applause to our instructors and all who helped make our event a success at New Hampshire Motor Speedway in Loudon, NH.

A picture perfect day for fun and learning

Performance Upgrade Checklist

- ✓ Performance Exhaust System
- ✓ High Performance Ignition System
- ✓ High Flow Intake System
- ✓ Performance Chip

Great. But, how much did you gain?

Bring your BMW to New England Dragway's popular Wednesday & Friday Street Night before and after you make those upgrades. Establish a baseline and make sure you're getting the most for your performance dollar.

New England Dragway is conveniently located off Exit 8—NH Route 101 in Epping, New Hampshire. Visit our website www.newenglanddragway.com for more information.

Bring this ad for a \$3 discount on a Wednesday or Friday Spectator ticket!

Fully service history available including repair manual. About 138k miles. Cold A/C. \$1300 obo. Call Dana Sion at 603.594.0788 or e.mail via the chapter website.

Parts for Sale

E46 M3

Exhaust

OEM front exhaust pipe from a 2005 M3. Pipe was removed in 2005 with only about 1400 miles on it. Like new condition. I have the box for it, if it needs to be shipped. \$250. E.mail John Carlson via the chapter website.

about classifieds:

Chapter members can submit (non-commercial) ads at no cost, which will run for three months on the website. Ads listed on the website at the time of publication are published in *the Profile*, space permitting. (Submit photos for inclusion with printed classifieds to *the Profile's* copy editor.) Ad requests submitted online are subject to approval by the WMC. The submitter, not the WMC, is responsible for the accuracy of ad content. The WMC cannot guarantee, in any manner whatsoever, items listed in the classifieds. To see the most current selection of classified ads, check out the chapter website.
