white mountain chapter BMW CCA

FARKEE'S MAPLE BARN

june & july 2011

Did you know?

The BMW Car Club of America has a membership of over 70,000 enthusiasts, and of all members...

- 68% are between the ages 30 and 49
- 58% have annual incomes over \$75,000
- 82% are college graduates
- 37% have postgraduate degrees
- 89% own their own homes and 23% of those own a second home
- 30% have two or more BMWs
- 64% trust BMW Centers and other Independent BMW Service Centers for scheduled and unscheduled maintenance
- 25% have spent over \$1000 on aftermarket purchases in the past year
- 50% purchase performance upgrades
- 75% purchase detailing items
- 48% purchase maintenance & repair tools

source: BMW CCA National Office

Is your business looking for a direct audience to boost its sales?

If so, don't dump thousands of dollars and waste your time with companies that don't know your target. Look to the White Mountain Chapter and the Profile newsletter!

The Profile offers...

...one-on-one communication with a dedicated staff member to address all your concerns.

...ad design services. by the Profile's publisher, mjc.design.works,LLC. For nominal rates, existing ads can be reworked or new ads created. No need to waste time trying to find someone to design a professional ad for you.

...endless options for custom inserts, coupons etc. We work with you!

In addition to the printed Profile...

...an online edition of the newsletter is available from the chapter website. At time of publication, all advertisers receive a link to the latest edition.

...advertisers get their corporate logos and company profile posted on the chapter's advertisers page.

...the chapter's website is linked to by countless other interest related websites.

The Profile has many advertising options available!

You won't be harnessed into a long contract; purchase an ad for any number of issues. A business card sized ad in black & white is only \$180, and a quarter page ad, only \$360. And that's for a full year (6 issues)! Many other options are available.

Drive new life into your company's ad campaign!

There's no better way to experience Maple Sugar Season in New England, than with a visit to Parker's Maple Barn in scenic Mason, New Hampshire. (see page 9)

about the Profile:

The Profile is published every two months. Club members are encouraged to submit BMW and/or club related articles and photos for publication. General articles should typically be under 350 words but longer features are welcome space permitting. All photos must be submitted at their highest available resolution. Submission deadlines are always the first Friday of the month prior to the newsletter issue (i.e. deadline is in May for the June/July issue). Send all submissions or questions to the copy collection editor. For information on advertising in the Profile, contact the newsletter advertising manager.

The WMC Website New & Improved for the 2011 Driving Season

by: David Harrison, vice president

Welcome new and old chapter members to another summer with your BMW CCA, White Mountain Chapter. While this newsletter is a great way for members to keep informed, the production time causes the printed announcements to sometimes be outdated or incomplete. Check out the recently restructured website www.whitemtn-bmwclub.org. I would like to thank Paul Michali, our original web master, and the new co-web master, Dick Demaine. Their many hours of improvements have given a completely refreshed look to the site. Use the menu buttons for the most current information to be found.

Click on "Calendar" to view the latest and greatest happenings for this year. In the schedule are first time events as well as reoccurring favorites from previous years. Driving schools, baseball games, car shows, even a day cruise out of Portsmouth Harbor are coming up this year. Some events are still in the planning stages so check the listings on a regular basis. Contacts are listed for all events should you want to know more information or to be involved in the planning and running of events.

Find out who is behind the scenes of the Social Events by clicking on "Social". Whether you just like to get together to talk about cars, or join in with other BMW enthusiasts for some fun and exciting activities, we have something for you! For those interested in volunteering, there are many rewarding tasks and events where you can help. We are always looking for great events that will appeal to a wide range of tastes and likes. We invite

Your gateway to all things chapter related -
The new and improved www.whitemtn-bmwclub.org

And finally, take a good look at the (new and greatly improved) photo "Gallery". There you will find the pictures of smiling chapter members at any number of events. If you are not in these pictures, you can only see what you have missed in the past. So I invite you to look through the site and plan on being more involved this year and becoming one in any of these cheerful images very soon.

Looking forward to seeing you soon!

David

Chapter Membership

When you've got it, flaunt it!

by: Michael Morin

We've got the best of everything here: the mountains, the beaches, the forests, the landmarks, the history and of course the people. Yeah, we've got the second most hiked mountain (Mt. Monadnock) *in the world* we wouldn't have that distinction without people. Of course, we have Portsmouth Harbor Light and Fort Stark but they would exist without people. The same is true with our organization.

Without you we would not be able to host the world renowned Tire Rack Street Survival® program at New Hampshire Motor Speedway. Without you we would have no rallies, barbeques, reunions or car shows. It is quite simple: without your involvement we would not have a BMW Car Club. Please take a moment to browse our website and visit us at an upcoming meeting. We are always available to answer your membership, tech or any BMW-centric questions.

Here is a quick update of our membership numbers. Out of 653 people in our local Chapter, 93% live in NH. We even have Canadian members! The counties with the most members are Hillsborough and Rockingham. The top five cities and towns in NH are Nashua, 46; Manchester, 29; Bedford, 22; Amherst, 19; and Londonderry, 17.

Until next time, we hope to see you for the Isles of Shoals cruise in July.

Speed up - top down,

Michael

Chapter Membership

Discounts galore!

by: Michael Morin

I don't want you to think that the only discounts we offer are the ones from our local advertisers and sponsors. Besides the 20% discount at Ira BMW of Stratham and BMW of Peabody and 10% at Tulley BMW, we offer all these discounts below. Check them out and let them know you're a member!

Winter Couldn't Last Forever Let's Go Drive!

by: Mark Viola, dec chair

Finally! The winter that would never end, did.

Driving events are off to a great start for 2011. The ADSS in April was completely booked and everyone left smiling and yearning for more. We had a fantastic mix of cars. Classic and modern BMWs shared the pavement with newly purchased track toys, and a bunch of other makes joined in on the fun! My favorite comment of the day was, "Wow, I had no idea my car could do that!" I wish we could have this much fun every weekend.

A few short days later brought us our first track

day of the season. After snow, sleet and freezing rain last year, we escaped this year with temperatures in the 60s and a mostly sunny day. We had 80+ students join us for a phenomenal day of high speed fun. We just beat the weather too. Old Man Winter blew his last dying breath on us the next day for the chapter's Open House. We actually saw accumulating snow!

If you missed out on any of this action we have several more events planned for the year, so check out the calendar on page 13 and join us.

Winter Reunion 2012 Fifth Year Spectacular and Sponsorships Available

by: Cassandra Vorisek-Creto, sec chair

Join the experience of the club's annual Winter Reunion through sponsorship of the event. Receive many excellent benefits as well as additional exposure to a great group of BMW enthusiasts.

The 2012 Winter Reunion will be held on January 21, 2012 at The Common Man Restaurant in Concord. Each year, this event grows in pop-

ularity and the opportunity to reach out to our members in a relaxed and positive atmosphere is priceless!

In the past, this event has continually sold out and seen record numbers of members - both new and established - attend. The party itself offers all members the ability to spend time chatting and enjoying the evening with fellow club members. Reminiscing over the past year and what will come in the coming months.

Why become a sponsor of the 2012 Winter Reunion? Beyond the benefits noted at each level (and there is a level for every budget!), it offers sponsors the ability to have direct access to the club's members and potential new customers/clients. It allows for your company/organization to enhance current relationships while providing information to succeed in growing.

Contact Cassandra Vorisek-Creto (Social Events Committee Chair - c.creto@whitemtnbmwclub.org) for more details or to register for a sponsorship!

photo: Paul Michell

Winter Reunion Sponsorships

7-Series Sponsorship (Maximum -1) \$2,000.00

Four guests, banner at the event, table top displays on all tables noting sponsorship, product in goody bag (including business card(s) and brochure(s)), ability to speak to group before dinner, meet and greet attendees upon arrival, mention in all promotional material - including e-blasts, The Profile and website, feature article in The Profile on company/individual (The Profile is read by more than 700 BMW enthusiasts).

5-Series Sponsorship (Maximum - 2) \$1,500.00

Four guests, banner at the event, product in goody bag (including business card(s) and brochure(s)), ability to speak to group before raffle, mention in all promotional material - including e-blasts, The Profile and website.

3-Series Sponsorship (Maximum - 2) \$750.00

Banner at the event, two guests, product in goody bag -including business card(s) and brochure(s), mention in all promotional material - including e-blasts, The Profile and website.

X-3 Sponsorship (Unlimited) \$150.00

Raffle sponsorship - Name will be noted at all raffle tables. Mention in all promotional material - including e-blasts, The Profile and website.

X-1 Sponsorship (Unlimited) \$75.00

Door Prize sponsor - Name noted on door prize along with business card and business card in goody bag.

M-Badge Sponsorship (Unlimited) \$500.00

Cocktail Hour Sponsor - Company will be noted as such at the hors d'oeuve table, and mention in all promotional material - including e-blasts, The Profile and website.

The Club Loses a Long-Time Friend Stanley "Iceman" Jackson Passes Away at 79

by: Stan Jackson Jr.

photo: www.voyageunbound.com

Comradery and competition: Ice racing on Newfound Lake - one of "Iceman's" great passions.

White Mountain Chapter friends and colleagues, on Friday, April 8th, 2011 at 12:55pm, our Dad, Stanley "Iceman" Jackson, Member #1777, the Boston Chapter BMW CCA Ice Racing Chairman (held on Newfound Lake, N.H.), possessor of an unbelievable, and usually unbeatable, talent for Ice Racing, retired High Performance Driving School Instructor, master on the Autocross course, and Oktoberfest Rally champion, passed away at 79 years old. Many of you know how strong and healthy he was, so you will understand how completely unexpected and shocking this loss was to us.

The first sign that anything could even conceivably be wrong came on Friday, March 18th, when he passed out while snowshoeing out a trail on one of his properties. On Monday, March 28th, Stanley Jackson Sr. underwent emergency heart surgery to perform a single bypass, after suffering cardiac arrest twice in the hospital. On Tuesday we were given little hope – but by Wednesday he had started to fight back – and by Thursday it appeared that things might really be turning around. However, he remained unconscious on full life and heart support for over ten days. His mind and body fought incredibly hard, but the damage that had occurred to his heart and the detrimental complications to the body as a result of the heart and life support machines were just too much even for the Iceman – on April 8th he passed peacefully with family at each side – yesterday he was laid to rest. He had so much left to live for, but he had also lived for so much.

We ask that you all share this sad news with everyone that knew our father.

A memorial service and celebration of his life was held on Saturday, May 7th at the Union Congregational Church in Hebron, N.H.. In lieu of flowers, donations in the name of Stanley "Iceman" Jackson would be appreciated to any of the following organizations:

Camp Pasquaney (our father attended for 8 years, Stan Jr. and Steve attended as well): www.pasquaney.org

Hebron Fire Department / FAST Squad (the local emergency response team): P.O. Box 37, Hebron, N.H. 03241, or at hebronfd@metrocast.net

Newfound Lake Region Association (our father loved Newfound Lake): www.newfoundlake.org (If donating online, please send an email identifying yourself and that your donation was made in his name to info@NewfoundLake.org)

Cards, photos, or anything else you wish to share relating to our Dad may be sent to our home: The Jackson Family, P.O. Box 417, Hebron, N.H. 03241, or at DadTheIceman@inxces.net

Thank you all for your support of the Jackson Family – Mom (Susan), Stan Jr., Sarah, Steve & Christina & grandson Harper, and Nina, Dad's beloved cat.

A memorial tribute to Stanley "Iceman" Jackson will be featured in the next edition of the Profile. - ed.

Driver Change!

Rachelle Harrison takes over for Dana Sion as Profile's Copy Collection Editor

by: Martin Callahan, Profile production editor

After enthusiastically serving the White Mountain Chapter for well over five years, Dana Sion has decided to pass his Copy Collection Editor's hat over to Rachelle Harrison so that he can devote more time to other interests he has outside the club.

As Copy Collection Editor, Dana has been a key figure on the Profile's staff. His efforts helped to greatly streamline the newsletter's production and helped make it the quality publication it is today. His time and talents that he devoted to the club are truly appreciated.

photo: www.bimmerpost.com

**A quick driver change and the race goes on.
Thanks for some good laps Dana.**

It is also greatly appreciated that Rachelle Harrison has volunteered to take over Dana's position.

As of this Profile issue, Rachelle will be collecting all the material to be published in the newsletter. She'll also field any questions anyone might have about its production. The Profile's official club e-mail address remains the same, so continue to send all content and questions to editor@whitemtn-bmwclub.org.

Welcome aboard Rachelle!

Full House At Parker's Maple Barn

BMWs, Friends and Fresh New Hampshire Maple Syrup - Can it Get Any Better?

text by: Cassandra Vorisek-Creto, sec chair

photos by: Paul Michali

On March 27th, the SEC invited everyone to join them at Parker's Maple Barn in scenic Mason, New Hampshire, for what is fast becoming a tradition - early Sunday morning breakfast during maple sugaring season. As is usual for Parker's at this time of year, the line was starting and the wait begun before 8am!

Aunt Jemima and Mrs. Butterworth don't make it like this!

About 20 chapter members joined in the fun and we even had a room to ourselves. All sorts of good things were ordered from stacks of pancakes to eggs and maple bacon. All of course served with warm maple syrup. Is there any better way to start a cold Spring morning?!

The group included many old friends as well as a great family new to our club. The Browns came with their two beautiful daughters. It was wonderful chatting with them and learning all about their exciting adventure with their new European delivery M3.... there is no better way to first drive one's new M3 than on the Autobahn!

After breakfast, everyone was given the details for the relaxed and fun drive through the scenic area with special notes of points and places of interest. A great way to end a delicious breakfast.

If you missed the breakfast and drive this year, no worries. We are planning the next one for March 2012! And, keep posted for all the other exciting and fun adventures the SEC has planned for the remainder of this year. (See the calendar on page 13 and the website for details.)

Explore Some New Hampshire Heritage Take a Cruise Aboard the M/V Thomas Lughton

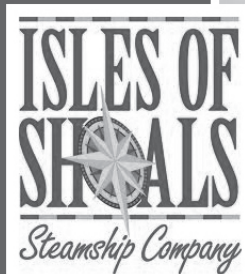

by: Rachelle Harrison, sec member

If you can't get away for that Bahaman cruise this year, take a cruise with us to the beautiful Isles of Shoals instead. The ship boards at 8:55 on July 17th in Portsmouth. Tickets are \$34.00 for adults, \$24.00 for 12 and under, free for 5 and under.

Take to the "high seas" on the M/V Thomas Lughton. The cruise takes approximately an hour to reach the shoals then enjoy Star Island with a self guided walking tour.

Join us aboard the Victorian styled Thomas Lughton and experience some fascinating stories of our legendary New Hampshire & Maine Seacoast. Less significant today, but historically crucial, the famous Isles of Shoals, located nine miles off our coast, are an intriguing archipelago of nine islands steeped with history.

As you glide through Portsmouth Harbor, you will see a unique working port with tugboats, tankers, the nation's oldest and active naval shipyard, the closed castle-like prison- "the Alcatraz of the East", a quaint "Olde Port" waterfront, a famous grand resort hotel, five historic forts and three lighthouses proudly guiding mariners safely through our waters. Our own Isles of Shoals historian will guide us through these waters for the duration of the trip.

The M/V Thomas Lughton of the Isles of Shoals Steamship Company.

Star Island is one of the nine islands that make up the Isles of Shoals which are home to numerous historical landmarks and sights. Visitors enjoy sitting along the coastline listening to the sounds of the ocean, soaking in the beautiful view of lively Gosport Harbor, the White Island Lighthouse, and the surrounding islands.

Guests of the island also enjoy watching the working and leisure boats that make use of this magnificent little harbor. Children

The historic Oceanic Hotel on Star Island.

especially enjoy "treasure hunting" on the beaches and viewing the glacier carved rock cliffs that were shaped thousands of years ago. Families have the opportunity to sun bathe and swim, enjoy an ice cream from the gift shop, and explore the reconstructed "Gosport Village" (a replica of the old fishing village that once stood on the same site.)

If you like, pack a picnic lunch to enjoy. Remember to bring your sunscreen! Pay parking is available on the dock in Portsmouth. The ship leaves promptly at 9:25 so arrive early and don't risk being late. We return to the dock at 1:15. What a wonderful way to spend a summer day. Please join us July 17th!

And if you're coming "from away", make it a weekend getaway; there are many great lodging opportunities in the Portsmouth area. -ed.

Portsmouth Harbor Light and Fort Constitution.

Baseball, Hotdogs, Apple Pie & BMWs Join the WMC for a Fisher Cats Game

by: Rachelle Harrison, sec member

What could go better with America's passion for cars then a night spent watching "America's favorite pastime", baseball. Saturday night, the 30th of July we are doing just that at the Delta Dental Stadium in Manchester. Game time is 7:00. Atlas Fireworks will be putting on a display after the game.

The New Hampshire Fisher Cats, a Double A affiliate of the Toronto Blue Jays, are playing host to the Reading Phillies, Double A affiliate of the Philadelphia Phillies. As of this writing, Reading is in first place in the Eastern standings with 11 wins and 5 losses. We have a reserved block of seats just off of first base. What a great location to see all the action. Register for this event on the chapter website. The Delta Dental Stadium is a great venue and offers many amenities to include being ranked as the most "vegetarian friendly ballpark" in all of minor league baseball by PETA.

There are plenty of privately operated parking lots around the stadium. Most parking runs about \$10. There is parking available at the stadium but you have to get there early. An elevator is also available for anyone who should need one.

If you are using a GPS to reach the stadium use 169 S. Commercial Street as the physical address. It is easily located off Granite street in downtown Manchester.

So join us for a night of baseball, hotdogs, apple pie and BMWs.

Replacing A Weather-Beaten Windshield Cowl on Late-Model BMWs It's Actually Easier Than You Might Think

by: Otto (a.k.a. Gordon Arnold), courtesy of Bavarian Autosport

Introduction: As a card carrying member of the BMW CCA, you most likely are a regular recipient of the Bavarian Autosport catalog. And if you've thumbed through its pages over the past few years, then you're surely familiar with the funny little "German looking" guy, Otto. Otto is Bavarian Autosport's resident "Answer Man" and has been addressing BMW owners' tech questions for many years now. Always eager to share his BMW wisdom with other fellow BMW owners, Otto wanted a while back to start a regular column in the Profile; glad to see he's back. - ed.

Many of the later model BMWs (E36, E46, E90/91/92/93, E39, E60/61, E38, E65/66, E63/64, etc.) have a plastic cowl trim at the base of the windshield. The trim piece has a molded-in rubber lip that seals to the bottom of the windshield this helps to keep excess water out of the wiper linkage and climate control air inlet area. Typically, the rubber lip will start to crack or curl up and will no longer seal to the windshield. Additionally, the cover itself may start to pull up in the corners.

The cowl trim panel is relatively easy to replace. Here is the procedure for the E46 models (3-Series '99-'05):

- 1 Remove the wiper arm assemblies. Before removing the wiper arms take note of how they are positioned on the windshield and against the stops on the cowl trim panel. Pry off the trim caps covering the nuts that secure the wiper arms to the shafts. Remove the nuts. Use the wiper arm puller tool to remove the wiper arms from the shafts (detailed in the E46 Bentley repair manual). See figures 2-3.
- 2 Remove the cowl trim panel. The trim is secured via a few push clips on the back of the panel (look at your new trim panel to see the specific locations). Use a non-marring pry tool to pry the trim panel up and off of the cowl area. Note that the hood seals overlap the panel at the outer areas.
- 3 Install the new trim panel. See figure 1. Note how the panel has locating tabs along the lower (forward) edge. Make sure to insert these first, then lower the panel into place and gently tap the panel down in the locations of the white clips to secure them.
- 4 Replace the wiper arms. Position the wiper arms in the proper parking locations and install the securing nuts. Replace the nut trim caps.

Fig. 1 - The fresh cowl trim panel.

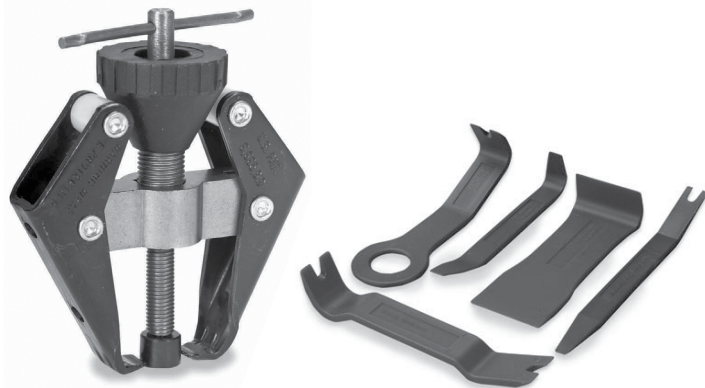

Fig. 2 - The right tools to do the job right: Wiper Arm Puller and Non-Marring Pry Tools.

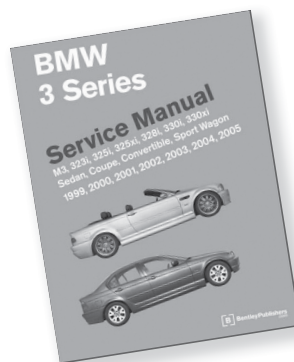

Fig. 3 - The tool that should be in every BMW enthusiast's tool box: the Bentley Service Manual.

The Man Behind the Mask Gordon Arnold

Gordon grew up in the Motor City (Detroit). In fact, his first real job was on the engine assembly line at Ford's original manufacturing plant. His love for internal combustion started with repairing his neighbors' lawn mowers. His passion quickly developed and grew then grew into hot-rodding go-karts and mini-bikes, and eventually to owning, building and driving high-horsepower hot rods, frequently at Woodward Ave, and other famed Detroit area cruising venues.

Gordon moved to New Hampshire and joined Bavarian Autosport in June of 1991. Since then he has owned a long string of BMWs, including multiple 3 series (several Euros among them), and many 5 series thru '88, including an M5. Currently he's zipping around in an E36 M3 and has his entire extended family driving BMWs – 9 in all!

In addition to being Sales Manager at Bavarian Autosport in Portsmouth (see their ad on page 3), Gordon is often asked to contribute to the tech columns in *Bimmer* and *Roundel*. Gordon is also a past-president of the White Mountain chapter. An active club member, he enjoys attending various chapter events, especially the high performance driver schools at New Hampshire Motor Speedway. In the late '90s he was the writer of a regular tech column for *the Profile*, "Gordon's Garage" – nice to see him back.

www.whitemtn-bmwclub.org/classified_ads.html

about classifieds:

Chapter members can submit (non-commercial) ads at no cost, which will run for three months on the website. Ads listed on the website at the time of publication are published in *the Profile*, space permitting. (Submit photos for inclusion with printed classifieds to *the Profile's* copy editor.) Ad requests submitted online are subject to approval by the WMC. The submitter, not the WMC, is responsible for the accuracy of ad content. The WMC cannot guarantee, in any manner whatsoever, items listed in the classifieds. To see the most current selection of classified ads, check out the chapter website.

RFT Bridgestone Potenza Tires

These came off a 2008 328i with the 18" sports package. With 22k miles, the tires are in great shape with 8/32" fronts and 6/32" rears.

The sizes are 225/40-18 (front) and 255/35-18 (rear). I'm looking at getting \$250 for them. Call Roland Beaulé Jr. at 603.315.5932 or e.mail via the chapter website.

Oil Filters

Three oil filters for 740i (1995-2001) or 540i (1997-2003) MSRP \$10 each, all three for \$15. Derry, NH. Call David Harrison at 603.216.2829 or e.mail via the chapter website.

BMW CD Magazine

BMW 6 disc CD magazine, BMW p/n 8 375 836, new \$57, asking \$25. Derry, NH. Call david harrison at 603.216.2829 or e.mail via the chapter website.
